"There's not just hard and sharp rocks to contend with...an endless mix of sand, bull-dust, gravel and mud. It takes a true all-terrain tyre to excel on any road surface and the S/T MAXX does it with absolute ease and steering precision."

Rob Boegheim
Managing Director, Hema Maps Australia

50% Dirt & Mud

SUITABLE FOR: Extreme All-Terrain

UTE

4WD

"My AT3 LTs did 145,000KMS over 6 years and the tyres never missed a beat. First trip was to the Kimberley and the Gibb River (6500KMS off-road). They have since taken our family across WA from the South Coast back to the Kimberley and everywhere in between without an issue."

Tony
Cooper customer and 100K Club member
